# About Us

Since 2009

"Alisa Import & Export Co" is a premier manufacturer and 100% export oriented agro-processed frozen food products based in Bangladesh. Since 2009 we have been involved with this business, we have established ourselves as a trusted name in the industry, dedicated to delivering hygienic and delicious frozen food items to markets around the globe.

With a diverse product line that includes frozen snacks, sweets, traditional pitha ready-to-eat meals, pickles and vorta (Paste) and a variety of vegetables. we cater to a wide range of culinary preferences, Our commitment to quality and customer satisfaction drives us to ensure that every product meets the highest standards.

We export to U.S.A, Canada, UK, Ireland, France, Japan Dubai, and we are excited about the opportunity to expand our reach into new markets. At Alisa Import & Export Co, we not only focus on quality but also on creating employment opportunities and empowering women within our community. we are committed to donating 2 cents from the sale of every packet to support the Education for Autism children.

In addition to our focus on quality, we prioritize sustainability and ethical sourcing practices, ensuring that our ingredients are fresh and responsibly sourced. Our state-of-the-art manufacturing facilities adhere to international safety and hygiene standards, enabling us to maintain the integrity of our products. We are also dedicated to innovation, continuously exploring new flavors and product lines to meet the evolving tastes of our customers. Join us in sharing the authentic flavors of Bangladesh with the world

## Our Values

- ✓ Excellence in Quality
- ✓ Sustainability
- ✓ Integrity at Core

# CEO Message

---

We are dedicated to facilitating seamless and reliable global trade in frozen food products. Our mission is to bridge international markets, connect food suppliers and distributors, and empower businesses to grow beyond borders. We believe that successful frozen food import-export operations are built on a foundation of quality, safety and trust.

As the CEO, I am proud of the strong partnerships we have developed across the globe. These relationships allow us to deliver a wide range of high-quality frozen foods, supported by excellent service and tailored logistics solutions. We are committed to exceeding international food safety standards by using cutting-edge cold chain technologies and maintaining strict quality controls from source to delivery.

Furthermore, we are committed to sustainable practices in the frozen food industry. From eco-conscious packaging to responsible sourcing and energy-efficient cold storage, we continually seek ways to reduce our environmental footprint while delivering nutritious and convenient food options to communities around the world.

# Our Sustainable Practices

At Alisa Import & Export Co., sustainability is at the heart of our operations. We are committed to responsible practices that protect our environment, support our community, and ensure a better future for generations to come.

## Organic Fertilizer Use

We promote the use of organic fertilizers to maintain soil health and produce chemical-free, safe and nutritious ingredients.

## Water Management

We implement smart irrigation and water-saving techniques to reduce wastage and ensure responsible water usage.

## Renewable Energy

We use renewable energy sources where possible to reduce our carbon footprint and support a cleaner environment.

## Soil Conservation

We follow practices that preserve soil fertility, prevent erosion, and protect ecosystems for long-term agricultural sustainability.

Good for  
Nature  
Good for  
Future

## Our Commitment

We believe that sustainable growth leads to a stronger tomorrow. Together, let's protect our planet and create a healthier future.
